On behalf of Austin Academy faculty and staff, we sincerely appreciate the parental support and involvement in our implementation of the House system and AVID binders. As we are still in the beginning phases of utilizing our Houses, it has efficaciously served to connect all students to the campus and enhance the sense of community (wearing house shirts, panoramic photos on house day and attending school events), promoted student organization (use of binders/planners) and supported community service (box tops and canned food drives).

At this point in the semester, each of the three houses have been recognized for attaining high house points. In the first cycle, House Integrity earned the most points for binders, planners and house shirts. House Empower was recognized for earning the greatest number of box tops for Austin. All three house were exceptionally close in point totals which is reflective of the consistent efforts of the students. For the second cycle, House Inspire earned the most points of the three houses. Each cycle reward consisted of a pajama pant day or hat day and a house party. Thank you to our PTA for the support and participation with the House parties.

As the first semester is rapidly coming to a close, we encourage all students to maintain their focus as final exams are scheduled for December 16th, 17th, and 18th. For the majority of our sixth graders, this will be their first exposure to taking semester final exams. Please continue to check your student's binder and planner in an effort to keep informed of upcoming assignments, exam reviews and exam schedules. Please contact the campus should you have any questions.

A Word From Our PTA President - Marylee Lajoie - mlajoie4@tx.rr.com

We've come so far, so fast....

I can't believe how much the Austin PTA has done in the few short months since we've been in school. Thanks to the PTA Board and our dedicated Austin Parents and volunteers, we have accomplished quite a lot already. Here are some of the things your PTA has done for Austin:

1. PTA Members chairs Stephanie & Tonya collected and tallied all the PTA memberships at the start of the school year. We have over 300 members and would love to have more, so if you haven't joined yet, go to our website to download the form. Your membership supports the school and doesn't require any time on your part.
2. Our Spirit Chair, Mandy, has sold more spirit wear items this year than we've ever seen before for a record fundraiser as well as outfitting our students and parents in Austin gear. Now when we see our kids play sports or participate in band, choir, etc. we can support them by wearing Austin gear. Also, you can now order spirit wear on-line on the PTA website.—we are finally entering the digital age!
3. School supplies were sold and distributed by Sarah, saving lots of parents time and money shopping for themselves.
4. On meet the teacher night, Angela coordinated our pizza and drink sales which are a fundraiser for the PTA as well. Thank you to everyone who participated, you helped us raise money while also hopefully making dinner easy on you.
5. At our first House party, Zaida and other volunteers sold snacks and drinks to the kids. This was another fundraiser, and we hope it made for a fun festive party snacks, too!
6. Eric, our Reflections chair, brought the Reflections contest to the school which is a fantastic way for your artists to get recognized.
7. The PTA sold snacks after the Pep Rally for a fundraiser, much to the delight of the students.
8. The PTA promoted a "Pink Out" game in honor of Breast Cancer Awareness and distributed pink face paint and spirit items.
9. Behind the scenes, Lesa, our publicity chair, maintained the website and Facebook pages while Katrina put together this awesome newsletter.
10. Christina organized a fantastic Teacher Appreciation lunch right before school to honor our fantastic teachers.

Those are just a few things that the AAE PTA has done this year to make Austin a better place, and we are not done yet! As you can see, a lot of our activities are fundraisers for the school. One of the biggest impacts the PTA makes on the school, is through funding programs and supplies for school wide initiatives. Many of these would not take place without the help of our PTA.

I also recognize that we are a work in progress, we are always learning and several of our events this year were part of that learning process. If you have an idea or would like to volunteer to support the PTA, we'd love to hear it! Our success depends on the support of our parents through monetary donations, of course, but also through the fantastic ideas and inspiration that you can contribute.

If you have any ideas or inspirations that you'd like to share, feel free to contact me at mlajoie4@tx.rr.com.

Go Eagles!

Marylee Lajoie
