It is difficult to believe we only have 10 weeks of school remaining in the 2015-2016 school year! We are exceptionally proud of our students. With your support, we have had a very smooth, successful and positive school year.

Our first annual House Day, held the Friday before Spring Break, was a tremendous event. Gym-size inflatables, dunking booths, carnival games, face painting, game rooms, karaoke, volleyball, talent showcase, house meetings (team-building & chants), food, and fun were experienced by all. A special thanks to PTA for the wonderful collaboration and support of this event.

All three houses have performed well throughout the school year. Cycle point totals are always very close (at the end of each cycle) and all three houses have earned house parties at various points throughout the school year. To build upon this united campus culture, various 7<sup>th</sup> grade students have applied to interview to serve as student house leaders for the 2016-2017 school year. This step in the process will allow for us to transition to the next phase of our House System- Student Mentorship.

Moving forward, we want to be sure all parents and students are aware of upcoming campus and state assessments (STAAR, AP Spanish, and Final Exams). Please be sure to visit our school website to view the calendar of events. Additionally, awards day has been scheduled for June 1<sup>st</sup>. Each grade level will have their own respective awards assembly. Specific times will be announced and advertised once the itinerary is finalized. As always, you are welcome to contact the campus with any questions.

Thank you for the opportunity to serve your student at Austin Academy.  
Holly Frantz, Principal

## A Word From Our PTA President - Marylee Lajoie - [mlajoie4@tx.rr.com](mailto:mlajoie4@tx.rr.com)

As I sit here and listen to the birds singing and see the sun shining, I cannot believe how quickly time passes and that we are only a couple months away from summer break. This year has been a whirlwind of new things for our kids, from the Avid Binder system that was successfully rolled out but still gets some grumblings, to the fantastic House Carnival that the teachers put together for the school.

Even though wonderful things have happened this year, I want to pause for a moment and reflect on the tragedy that struck some of our students on December 26<sup>th</sup>. I'm sure everyone can remember where they were when the tornado hit our community. My family was frantically running around the house trying to figure out the best bathtub to sit in! Unfortunately, several families in our Austin community were impacted directly and I was reminded today, as I sat in church on Palm Sunday, that their struggle is not over.

To refresh your memories:

-There were about 9 families that were impacted by the tornados from December 26<sup>th</sup> that have children at Austin. Some of those families were displaced from their homes.

-Garland ISD provided backpacks and school supplies to these students.

At the time, our Eagle community generously came through with donations for these families. The PTA sent home an AAE pack with these students that included Austin spirit gear, a sweatshirt, a cup and house shirts. Families from our school donated gift cards to Wal-Mart and other grocery stores to help these families get fed. One family alone, generously donated nine \$50 gift cards on their own! What a joy to see the love and caring in our own Austin Eagle family.

Now that it's three months later, I would like to ask for your help once again. In any crisis, it is standard that the community rallies immediately in response to help. Unfortunately, sometimes, the real struggle comes much later, when the donations have dried up, and you find your family still living temporary housing and trying to make ends meet. I am asking for our Austin Community to step up once again and see if we can help those victims of the Rowlett Tornado.

The AAE PTA will be doing a gift card drive during the month of April. We are requesting that families donate gift cards of any denomination, from any store to these families. You may purchase new gift cards, or if you are like my family, you may have some gift cards still in your wallet from Christmas that were never used. Feel free to send any or all of them to Austin and help us bring joy to these family's lives.

You can send your gift cards to the school office, mark the envelope "Tornado Relief" and we will make sure that they get to these families. The donations are distributed by the counseling staff at Austin, and all donations are anonymous, unless otherwise specified.

What better way to symbolize Spring that helping another family start anew in their life? Thank you in advance for your generosity, I am proud to be a member of such a caring and loving community.

Sincerely,  
Marylee Lajoie  
AAE PTA President
